John:

I have received the courtesy copy of the March 1, 2012 letter from Don Smith to Mr. C.C. "Bud" Grisham, the executor of the of the Estate of Mary Burke Grisham, owner of the Arkwood Site. Thank you for initiating the steps to arrange for access to the Site by Mr. Curt Grisham. This email is a follow-up to EPA's conference call of Tuesday, February 28, 2012 with you and Ms. Jean Mescher during which you indicated that Mr. Bud Grisham would be contacted to ascertain whether Mr. Curt Grisham was his designated representative for purposes of access to the Site. The March 1, 2012 from Mr. Smith refers only to access to the Site by [Mr. Bud Grisham and your guests].

Would you please communicate with Mr. Bud Grisham or arrange for a communication to him to ascertain whether Mr. Curt Grisham is his designated representative for purposes of access to the Site?

Thank you,

Gloria
